Grünwald
young plants

Dear customer,

we are glad to present our new catalogue. All products will be delivered in the tried and tested quality. Please do not hesitate to contact our team for any questions or special requests. We wish you a successful season with our products and are looking forward to a close co-operation.

Geachte Klant,

hierbij willen wij u graag onze nieuwe catalogus overhandigen. Met veel zorg en kennis hebben wij voor u een sortiment samengesteld waarvan wij vinden dat het geleverd mag worden als zijnde Grünwald product. Zoals u van ons gewend bent staan wij open om naast ons standaard sortiment voor u een aangepast sortiment of andere levervarianten te produceren. U kunt hiervoor contact opnemen met ons kantoor of met de voor u vertrouwde aanspreek persoon om uw specifieke wensen te bespreken. Samen met u willen we ervoor zorgen dat er weer veel planten de weg naar de tuin of naar het terras gaan vinden.

Sehr geehrte Kundinnen
und Kunden,

wir freuen uns, Ihnen unseren neuen Katalog zu überreichen. Mit großer Sorgfalt und Erfahrung haben wir für Sie im vergangenen Sommer unser zukünftiges neues Sortiment zusammengestellt. Alle Produkte werden in der, von Ihnen gewohnten, Grünwald-Qualität geliefert. Ihre Ansprechpartner stehen Ihnen für Fragen und auch für Sonderwünsche zu speziellen Produktformen gerne zur Verfügung. Wir wünschen Ihnen viel Erfolg mit unseren Produkten und freuen uns auf die Zusammenarbeit mit Ihnen.

**Grünwald young plants is specialist in
het bewortelen van perk- en balkonplanten.**
